

**COURSE NAME****17TH EDITION IEE REGULATIONS
BS 7671: 2008 - 1-Day Update Course
City & Guilds - 2382-20**

“Gain the knowledge and skills to understand the 17th Edition of the Wiring Regulations”

The 17th Edition of the IEE Wiring Regulations was published at the beginning of January. 2008, and will be fully implemented as of July 1st 2008. All Electricians, Electrical Engineers and others whose scope of work is governed by BS 7671: 2008 will have to abide by the regulations.

This 1 day update course is designed for Electricians and Installers who hold a BS 7671 16th Edition Certificate and that Certificate was issued during 2001 and have been using the wiring regulations during the course of their work.. Please note that if you hold a 16th Edition Certificate that is older than 2004, you may need to consider attending our full 17th Edition course
